## **Officer's Reports:**

President: Recently returned from her honeymoon. Had a great time. Eager to get back to the business of the gun club.

Vice President: Nothing to report.

Secretary: Nothing to report.

Treasurer: We currently have ~85 paid members for the 2009 year. We have approximately \$1200 in checking and \$1200 in savings. Outstanding bills to Sam's have been paid. It appears there has been a price increase from Sam's for the use of the facilities for our firearms classes.

Safety & Training: It is time to take inventory of class materials and place an order for the upcoming Fall / Spring Classes. The Safety Fair went well. There was a QA group with a gun safety theme that was handing out gun locks. They were also handing out some of our flyers. During the day, Wayne was able to talk with some people who came to our booth, notably instructor at Firearms Academy of Seattle (FAS) and the owner of Blade Tech Holsters (in Lakewood). Both are potential speakers at upcoming meetings.

Webmaster: Nothing to report.

## **Old Business:**

Lorraine will send a final request for volunteers to help out with a booth at the Everett Family Day Event on August 23<sup>rd</sup>. Several of the regulars that can be counted on to work the booth are unavailable this year, and the board decided that if we do not get any new faces to help out, we will not have a booth at the event this

The board has decided to continue the practice of holding a raffle event at club meetings. The next raffle will be at the September club meeting at Sam's Gun Shop.

## **New Business:**

Now that the club has a contact at Blade Tech Holsters, the board approved Sean to look into the possibility of getting a discount on purchases for club members. Sean will report back on his efforts.

Wayne announced that it is time to start gathering raffle prizes for the December club meeting and World Famous Raffle. He will start attending gun shows to look for and acquire appropriate items.
