Items discussed:

- 2018 Elections  
Don Beaumont would prefer not to continue as Vice President.
- Training and Events  
A lot of information was discussed about training and events.
  - Mark has talked with WCAN about holding events. This is probably a no-go until they get Bay 4 cleared out and usable. Even then we don't know how they are going to handle outside groups.
  - Norpoint might be possible for events once per quarter. They are probably a no-go on training as they have their own training program.
 It's really hard to find a range where an outside group can hold events.

- Christmas party  
This will be a topic for discussion at the Wednesday general meeting.

Respectfully submitted,  
Fred Crary, Secretary
