Meeting: Membership meeting

Meeting at West Coast Armory North

Membership: No report

Treasurer:

Checking	2,846.22
Savings	7,230.51
Cash	377.99
TOTAL	10,454.72

Nominations for next year's officers:

The situation for officers next year is as follows:

Treasurer	Term limited
Secretary	Is willing to continue
Vice President	Does not wish to continue
President	Will reluctantly continue

We need volunteers for officer positions. The secretary will email the membership to try to entice volunteers. Replies to go to all officers.

Future:

Training: Training has been a membership draw since we are inexpensive and offer classes at a discount to members. As has been discussed before, we haven't found a place where we can offer classes.

Other activities: It was suggested that we could join other shooting activities.

Increase visibility and participation: Could we increase our presence at WCAN? Possibly at the Tuesday night shoots (identify ourselves as BEEGC) or on Friday nights.

Christmas Meeting:

We've advertised the meeting. We could have a single prize (WCAN?) rather than a table full of small prizes plus a major prize. The meeting's consensus was to keep the Christmas Party and have a single prize.

Facebook Page:

Hobey will look into this.

Respectfully submitted
Fred Crary, Secretary
