### **Board Meeting**

Hobey announced a board meeting next month (date to be determined). It will focus on budget and Rec. Center stuff (they want to move our room).

### **What brings people in:**

A discussion on how to get more people:

- Advertising
- Training. An I-1639 class was suggested for June. Fred (the only current certified trainer) will look at the WAC 1639 class.
- Speakers. Hobey observed that most of the people he knows are in the Auburn-Renton area and would be reluctant to come up to Everett for a small turnout. We will talk with Steve Pennington and see if he is interested in another presentation.
- An 80% lower party. Where would we hold it? AR-15 or Glock?

### **Legislative:**

The legislature is in session. Both houses are controlled by the Democrats.

It was noted that the email editions of GOAL Post by the Gun Owners Action League haven't been appearing. The webmaster reported that he'd found the first GOAL Post on GOAL's Facebook page and copied it for our web site.

### **TriggrCon:**

Coming July 29–Aug. 1 in Bellevue is TriggrCon (<https://www.triggrcon.com/>) which will “showcase the newest, most innovative companies and products in the tactical firearms industry.”

Hobey suggested a group foray for the range day where you can shoot all the new firearms and they will provide the ammunition. Membership is required and expected to be about \$40.

**Next meeting:** April 23, 2020 at 5:30 PM at West Coast Armory North.

The meeting was adjourned about 6:20 PM.

Respectfully submitted  
Fred Crary, Secretary
