Christmas meeting: Do we want to hold it? And where can we hold with the “social distancing” restrictions? The consensus is that we should hold it. We’ll probably need to ask for RSVPs and perhaps put a cap on the attendance. Topic for the board to settle?

The Club Post Office Box: As everyone has undoubtedly noticed, we lost our Post Office Box earlier this year. The treasurer sent in the renewal payment, but it was never processed. By the time we realized it, the box had been reassigned. There was speculation that someone in the Post Office didn't like “gun club” and discarded the renewal. The treasurer has been trying to get another box, but has been having trouble getting his calls returned.

Tom and Hobey have taken the action to get this sorted out. As an interim measure, the treasurer has been having mail (e.g., NRA and CMP) sent to his house.

Officers for 2021: Most of the officers are willing to continue to next year. The vice-president was not present at the meeting. The board will need to finalize on a slate. Volunteers should contact Hobey (president@beegc.org).

Training: We would very much like to restart the training program. We do have insurance coverage from Boeing. The two main obstacles are range and classroom availability, and lack of instructors. This needs to be explored further.

Next meeting: Christmas meeting and election of officers. December 5, 1–3 PM at West Coast Armory North. Further details TBD.

The meeting was adjourned about 6:20 PM.

Respectfully submitted
