Items discussed:

- **Multi-State Gun Permit Training Classes**
Two multi-state gun permit training classes were presented to the board. The first is from *Old School Gun School*. It is pricey (\$2300) but Boeing will pay for it! The second is through Sportsman's Warehouse in Everett. This one is less expensive and Boeing will not pay for it. Fred agreed to prepare an email to the mailing list with the information discussed. It is attached and includes all the detail presented.
- **On-line Membership sign up**
Hobey is working on payment via Zelle or Venmo. When it is ready, he will send an updated membership form to the webmaster to post on the web site.

Respectfully submitted,
Fred Crary, Secretary
