

Date: October 10, 2023

Meeting: Officers Meeting

Attendees / Officers:

Tom Adams	Vice President
Fred Crary	Secretary, Webmaster
Hobey Un	Treasurer

Meeting held on Zoom

Membership: The treasurer reported that we currently have 9 paid members.

Treasurer:

Checking	\$1,020.09
Savings	9,744.23
Cash	252.20
TOTAL	\$11,016.52

Items discussed:

- **Elections for 2024 officers**
The officers present do not wish the club to die. Hobey said he was willing to continue as treasurer. It was noted that, of the current officers, only Hobey and Jerry were eligible to be treasurer as Boeing Recreation required that club treasurers must be current employees. Hobey suggested that we email the club members with the proposal that, unless we get some volunteers, the officers will stay the same. Fred volunteered to prepare an email for review.
- **Meetings for 2024**
Hobey expressed a desire to return to in-person meetings. He envisions beginning small in the Boeing gym (Rec. Center?) starting with hybrid meetings so distant people (e.g., Tom & Fred) don't have to commute long distances.
- **Instructors**
Hobey noted that he needed to revive his instructor certification and wondered about getting new instructors. A suggestion was made that the club pay the training fees for the officers, but only if the instructor stays with us for a couple of years. It was noted that Boeing was paying for school, but people were taking the classes and then leaving.

- **Boeing Recreation Audit**
A new person in Boeing Recreation is trying to update the officer records for the clubs. Hobey volunteered to deal with responding to the audit questionnaire.
- **Weapons on Boeing property**
Boeing has a new policy. You can leave weapons in your car so long as the car is locked and the weapon is not visible. Hobey will get a copy of the policy to Fred (as webmaster) to post on our web site.

Respectfully submitted,
Fred Crary, Secretary
